### Notification

The GE period for school year 2016-2017 was from January 1 – March 1, 2016. If you have submitted a GE application, the schools to which you have applied are currently reviewing the application forms and will notify you of their decision.

If you have any questions about your application form, please contact those schools directly for further information.

## Spring Gardening at KMS!

O-Building: Ms. Harmon's students are hard at work creating an organic garden that invites the pollinators (butterflies, bees, and birds) to come live on our campus—please be careful not to litter or step in the three garden plots. We hope you all enjoy our new garden and will plant flowers for the pollinators in your own gardens at home!

R-Building:  
The Campus Beautification Committee and volunteer students are collecting large 2 liter plastic bottles to create

a fence for the new garden next to R-Building. Please donate all large plastic bottles to Ms. Harmon in O-103.
